B.Sc. in Animation & Multimedia

Duration: 1800 Hours, 36 Months

This one is a premier Degree program of Animation & Multimedia.

During the program, you will develop an in-depth understanding of the tools and techniques which are used in Animation, VFX, Graphics and Web Design. You will be interacting with our Subject Matter Experts, who have worked on projects that have been acclaimed both nationally and internationally.

What will you learn in this program?

- Design principles.
- Aesthetics skills.
- Creative visualization techniques.
- Website development and management.
- 2D and 3D Animation.
- Visual Effects tools and techniques.
- Compositing of live action footages and CGI elements.
